COMMUNITY MEASURE : Council Regulation 1449/2001/EC amending Regulation 1600/92/EEC concerning specific measures relating to certain agricultural products as regards structural measures. The total value of aid for SMEs will not exceed 75%. - Restrictions on the grant of forestry support will not apply to subtropical forests or wooded areas in the Azores or Madeira.. - The maximum amounts per year eligible for Community aid may be increased up to twofold in the case of the measure to protect lakes in the Azores and the measure to preserve the landscape and traditional features of agricultural land, particularly the conservation of stone walls and supporting terraces in Madeira.
