# Direct insurance other than life assurance: implementing powers conferred on the Commission

2006/0289(COD) - 11/03/2008 - Final act

**PURPOSE:** to amend Directive 92/49/EEC on the coordination of laws, regulations and administrative provisions relating to direct insurance other than life assurance by introducing a reference to the new regulatory procedure with scrutiny (comitology).

**LEGISLATIVE ACT:** Directive 2008/36/EC of the European Parliament and of the Council amending Council Directive 92/49/EEC on the coordination of laws, regulations and administrative provisions relating to direct insurance other than life assurance, as regards the implementing powers conferred on the Commission.

**CONTENT:** Council Decision 1999/468/EC laying down the procedures for the exercise of implementing powers conferred on the Commission has been amended by Council Decision 2006/512/EC ([CNS/2002/0298](#)).

The amended Decision introduces a new *regulatory procedure with scrutiny* to be used for measures of general scope which seek to amend non-essential elements of a basic instrument, adopted under co-decision. This may include deleting some of those elements or supplementing the instrument, by the addition of new non-essential elements.

This procedure allows the legislator to oppose the adoption of "quasi-legislative" measures implementing a codecision-based instrument in cases where:

- the draft may exceed the implementing powers provided for in the basic instrument;
- the draft is incompatible with the aim or the content of that instrument; or
- the draft fails to respect the principles of subsidiarity or proportionality.

In a joint statement, the three institutions agreed on a list of 26 basic instruments already in force to be adjusted without delay in accordance with the new regulatory procedure with scrutiny (see [ACI/2006/2152](#)). Each case has been assessed on the nature of the implementing powers conferred on the Commission and the specificity of each sector.

The purpose of this act, therefore, is to amend EU legislation concerning the coordination of laws, regulations and administrative provisions relating to direct insurance other than life assurance, by introducing the new *regulatory procedure with scrutiny* procedure.

ENRY INTO FORCE: 21 March 2008.

# Direct insurance other than life assurance: implementing powers conferred on the Commission

2006/0289(COD) - 22/12/2006 - Legislative proposal

**PURPOSE:** to amend Directive 92/49/EEC on the coordination of laws, regulations and administrative provisions relating to direct insurance other than life assurance by introducing a reference to the new regulatory procedure with scrutiny (comitology).

**PROPOSED ACT:** Directive of the European Parliament and of the Council.

**CONTENT:** Council Decision 1999/468/EC laying down the procedures for the exercise of implementing powers conferred on the Commission has been amended by Council Decision 2006/512/EC ([CNS/2002/0298](#)).

The amended Decision introduces a new *regulatory procedure with scrutiny* to be used for measures of general scope which seek to amend non-essential elements of a basic instrument, adopted under co-decision, including by deleting some of those elements or by supplementing the instrument by the addition of new non-essential elements.

This procedure allows the legislator to oppose the adoption of "quasi-legislative" measures implementing a codecision-based instrument when it considers that the draft exceeds the implementing powers provided for in the basic instrument, or that the draft is incompatible with the aim or the content of that instrument or fails to respect the principles of subsidiarity or proportionality.

In a joint statement, the three institutions agreed on a list of 26 basic instruments already in force to be adjusted without delay in accordance with the new regulatory procedure with scrutiny (see [ACI/2006/2152](#)). Each case has been assessed on its own merits, notably in view of the nature of the implementing powers conferred on the Commission and the specificity of each sector.

Lastly, in accordance with the abovementioned statement, the Commission is proposing to repeal any provisions of these instruments that provide for a time-limit on the delegation of implementing powers to the Commission.

# Direct insurance other than life assurance: implementing powers conferred on the Commission

2006/0289(COD) - 10/07/2007 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted the report drafted by Pervenche **BERÈS** (PES, FR) on the proposal for a directive amending Directive 92/49/EEC on the coordination of laws, regulations and administrative provisions relating to direct insurance other than life assurance, as regards the implementing powers conferred on the Commission.

One amendment was made stating that a reference to the 91/675/EEC and the old regulatory procedure should be replaced by a reference to the new regulatory procedure with scrutiny, which should apply for the purpose of adopting any implementing measure or undertaking technical adjustments in accordance with this Directive.
