Regulation 2009/0400 OJ L 126 21.05.2009, p. 0011		Summary

European system of national and regional accounts in the Community: implementing powers conferred on the Commission

2007/0272(COD) - 06/12/2007 - Legislative proposal

PURPOSE: adaptation to the regulatory procedure with scrutiny of Council Regulation (EC) No 2223/96 on the European system of national and regional accounts in the Community as regards the implementing powers conferred on the Commission (comitology).

PROPOSED ACT: Regulation of the European Parliament and of the Council. **CONTENT:** the purpose of the adjustment is to introduce the new regulatory procedure with scrutiny into Regulation (EC) No 2223/96, as provided for in Article 5a of Decision 1999/468/EC as amended (reform of comitology procedures).

The Commission has carefully examined all the instruments adopted by co-decision in order to identify those which permit the Commission to adopt measures of general scope designed to amend non-essential elements of the basic instrument in question. The Commission has identified more than 200 instruments that should be adjusted. Some of these instruments come under the Commission's codification programme. Examples include Council Regulation (EC) No 2223/96 of 25 June 1996 on the European system of national and regional accounts in the Community

In the case in question, under Regulation (EC) No 2223/96 the Commission may amend the methodology of the 1995 European system of accounts and adapt the information required from Member States (new tables, countries and/or regions concerned). Since these measures of general scope are designed to amend non-essential elements of the Regulation in question or to supplement it by the addition of new non-essential elements, they must be adopted in accordance with the regulatory procedure with scrutiny provided for in Article 5a of Decision 1999/468/EC.

European system of national and regional accounts in the Community: implementing powers conferred on the Commission

2007/0272(COD) - 23/04/2009 - Final act

PURPOSE: to adapt Council Regulation (EC) No 2223/96 on the European system of national and regional accounts in the Community to the regulatory procedure with scrutiny.

LEGISLATIVE ACT: Regulation (EC) No 400/2009 of the European Parliament and of the Council amending Council Regulation (EC) No 2223/96 on the European system of national and regional accounts in the Community as regards the implementing powers conferred on the Commission

CONTENT: following a first reading agreement with the European Parliament, the Council adopted this Regulation which introduces the new regulatory procedure with scrutiny into Regulation (EC) No 2223/96, as provided for in Article 5a of Decision 1999/468/EC as amended (reform of comitology procedures).

Under Regulation (EC) No 2223/96 the Commission may amend the methodology of the 1995 European system of accounts and adapt the information required from Member States (new tables, countries and/or regions concerned). Since these measures of general scope are designed to amend non-essential elements of the Regulation in question or to supplement it by the addition of new non-essential elements, they must be adopted in accordance with the regulatory procedure with scrutiny provided for in Article 5a of Decision 1999/468/EC.

It should be noted that this Regulation is one of several pieces of legislation that had to be adapted to the new rules on Comitology.

ENTRY INTO FORCE: 10/06/2009.

European system of national and regional accounts in the Community: implementing powers conferred on the Commission

2007/0272(COD) - 18/11/2008 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted, by 648 votes to 18 with 7 abstentions, a legislative resolution following 1st reading of the codecision procedure, and approved the proposal for a regulation of the European Parliament and of the Council amending Council Regulation (EC) No 2223/96 on the European system of national and regional accounts in the Community as regards the implementing powers conferred on the Commission - Adaptation to the regulatory procedure with scrutiny. The report had been tabled for consideration in plenary by Pervenche **BERES** (PES, FR), on behalf of the Committee on Economic and Monetary Affairs.
