Vine: marketing of material for the vegetative propagation

2008/0039(COD) - 21/02/2008 - Legislative proposal

PURPOSE: to undertake a codification of Council Directive 68/193/EEC on the marketing of material for the vegetative propagation of the vine.

PROPOSED ACT: Council Directive.

CONTENT: this proposal deals with the codification of Council Directive 68/193/EEC of 9 April 1968 on the marketing of material for the vegetative propagation of the vine. The new Directive will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and does no more than bring them together with only such formal amendments as are required by the codification exercise itself.
