## Insurance against civil liability in respect of the use of motor vehicles, and the enforcement of the obligation to insure against such liability. Codification. Motor Insurance Directive

2008/0049(COD) - 16/09/2009 - Final act

**PURPOSE:** to codify legislation on insurance against civil liability in respect of the use of motor vehicles, and the enforcement of the obligation to insure against such liability.

**LEGISLATIVE ACT:** Directive 2009/103/EC of the European Parliament and of the Council relating to insurance against civil liability in respect of the use of motor vehicles, and the enforcement of the obligation to insure against such liability (codified version).

**CONTENT:** the purpose of this Directive is to undertake a codification:

- of Council Directive 72/166/EEC of 24 April 1972 on the approximation of the laws of the Member States relating to insurance against civil liability in respect of the use of motor vehicles and to the enforcement of the obligation to insure against such liability;
- of the second Council Directive 84/5/ECC of 30 December 1983 on the approximation of the laws of the Member States relating to insurance against civil liability in respect of the use of motor vehicles;
- of the third Council Directive 90/232/EEC of 14 May 1990 on the approximation of the laws of the Member States relating to insurance against civil liability in respect of the use of motor vehicles;
- of Directive 2000/26/EC of the European Parliament and of the Council of 16 May 2000 on the approximation of the laws of the Member States relating to insurance against civil liability in respect of the use of motor vehicles (fourth motor insurance Directive);
- of Directive 2005/14/EC of the European Parliament and of the Council of 11 May 2005 amending Council Directives 72/166/ECC, 84/5/ECC, 88/357/EEC and 90/232/EEC and Directive 2000/26/EC of the European Parliament and of the Council relating to insurance against civil liability in respect of the use of motor vehicles.

The new Directive will supersede the various acts incorporated in it. It will fully preserve the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.

Directives 72/166/EEC, 84/5/EEC, 90/232/EEC, 2000/26/EC and 2005/14/EC, as amended by the Directives listed in Annex I, Part A, are hereby repealed, without prejudice to the obligations of the Member States relating to the time limits for transposition into national law and application of the Directives set out in Annex I, Part B.

**ENTRY INTO FORCE:** 22/10/2009.

2008/0049(COD) - 10/05/2016 - Follow-up document

The Commission adopted a communication on the adaptation in line with inflation of minimum amounts of cover laid down in Directive 2009/103/EC relating to insurance against civil liability in respect of the use of motor vehicles, and the enforcement of the obligation to insure against such liability.

In accordance with Directive 2009/103/EC, the amounts laid down in euro in Article 9(1) were reviewed in 2015 in order to take account of changes in the European index of consumer prices comprising all Member States, as published by Eurostat.

As a result of the review, the amounts laid down in euro are as follows:

- **for personal injury**, the minimum amount of cover is increased to EUR 1 220 000 per victim or EUR 6 070 000 per claim, whatever the number of victims;
- **for material damage**, the minimum amount is increased to EUR 1 220 000 per claim, whatever the number of victims.
