Visas: third countries whose nationals are subject to or exempt from a visa requirement

2008/0225(COD) - 28/11/2008 - Legislative proposal

PURPOSE: to list the third countries whose nationals must be in possession of visas when crossing the external borders and those whose nationals are exempt from that requirement (codification).

PROPOSED ACT: Council Regulation.

CONTENT: the purpose of this proposal is to undertake a codification of Council Regulation (EC) No 539/2001 of 15 March 2001 listing the third countries whose nationals must be in possession of visas when crossing the external borders and those whose nationals are exempt from that requirement. The new Regulation will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bringing them together with only such formal amendments as are required by the codification exercise itself.
