Carriage of goods by road: statistical returns

2009/0149(COD) - 14/10/2009 - Legislative proposal

PURPOSE : to undertake a codification of Council Regulation (EC) No 1172/98 on statistical returns in respect of the carriage of goods by road.

PROPOSED ACT: Regulation of the European Parliament and of the Council.

CONTENT: the purpose of this proposal is to undertake a codification of Council Regulation (EC) No 1172/98 of 25 May 1998 on statistical returns in respect of the carriage of goods by road.

The new Regulation will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.
