## Trade in foodstuffs: indications or marks identifying the lot to which a foodstuff belongs. Codification

2010/0259(COD) - 24/09/2010 - Legislative proposal

PURPOSE: to codify Council Directive 89/396/EEC on indications or marks identifying the lot to which a foodstuff belongs.

PROPOSED ACT: Directive of the European Parliament and of the Council.

LEGAL BASE: Article 114 of the Treaty on the Functioning of the European Union.

CONTENT: the purpose of this proposal is to undertake the codification of Council Directive 89/396/EEC on indications or marks identifying the lot to which a foodstuff belongs.

The new Directive will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.

FINANCIAL IMPLICATION: this proposal has no implication for the EU budget.

## Trade in foodstuffs: indications or marks identifying the lot to which a foodstuff belongs. Codification

2010/0259(COD) - 11/05/2011 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted by 348 votes to 7, with 4 abstentions, a legislative resolution on the proposal for a directive of the European Parliament and of the Council on indications or marks identifying the lot to which a foodstuff belongs (codified text).

Parliament adopted its position at first reading, under the ordinary legislative procedure, taking over the Commission proposal.

According to the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission, the proposal in question contains a straightforward codification of the existing texts without any change in their substance.

## Trade in foodstuffs: indications or marks identifying the lot to which a foodstuff belongs. Codification

2010/0259(COD) - 13/12/2011 - Final act

PURPOSE: to codify Council Directive 89/396/EEC on indications or marks identifying the lot to which a foodstuff belongs.

LEGISLATIVE ACT: Directive 2011/91/EU of the European Parliament and of the Council on indications or marks identifying the lot to which a foodstuff belongs.

CONTENT: Council Directive 89/396/EEC of 14 June 1989 on indications or marks identifying the lot to which a foodstuff belongs has been substantially amended several times. In the interests of clarity and rationality, that Directive should be codified.

The new Directive will supersede the various acts incorporated in it. It fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.

ENTRY INTO: 05/01/2012.
