[Summary](#)

Third countries whose nationals are subject to or exempt from a visa requirement: Moldova

2013/0415(COD) - 27/11/2013 - Legislative proposal

PURPOSE: to amend Regulation (EC) No 539/2001 listing the third countries whose nationals must be in possession of visas when crossing the external borders and those whose nationals are exempt from that requirement.

PROPOSED ACT: Regulation of the European Parliament and of the Council.

ROLE OF THE EUROPEAN PARLIAMENT: the European Parliament decides in accordance with the ordinary legislative procedure and on an equal footing with the Council.

BACKGROUND: Council Regulation (EC) No 539/2001 lists the third countries whose nationals must be in possession of visas when crossing the external borders (the so-called negative list (Annex I) and those whose nationals are exempt from that requirement (the so-called positive list (Annex II)). As the criteria set out in Regulation (EC) No 539/2001 can evolve over time in relation to third countries, the composition of the negative and positive lists should be reviewed and amended when appropriate. Third countries for which the situation has changed as regards these criteria, should be transferred from one Annex to the other.

CONTENT: following successful negotiations between the EU and Moldova and taking into consideration the progress made by Moldova in its visa liberalisation dialogue during the last three years, the Commission proposes to transfer Moldova from the negative to the positive list, however with a limitation of this visa waiver to the holders of biometric passports issued by Moldova in line with standards of the International Civil Aviation Organisation (ICAO).

BUDGETARY IMPLICATION: this proposal has no implication on the European Union budget.

Third countries whose nationals are subject to or exempt from a visa requirement: Moldova

2013/0415(COD) - 27/02/2014 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted by 460 votes to 40, with 10 abstentions, a legislative resolution on the proposal for a regulation of the European Parliament and of the Council amending Regulation (EC) No 539/2001 listing the third countries whose nationals must be in possession of visas when crossing the external borders and those whose nationals are exempt from that requirement.

Parliament adopted its position at first reading under the ordinary legislative procedure taking over the Commission proposal.

Third countries whose nationals are subject to or exempt from a visa requirement: Moldova

2013/0415(COD) - 13/02/2014 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Civil Liberties, Justice and Home Affairs adopted the report by Tanja FAJON (S&D, SI) on the proposal for a regulation of the European Parliament and of the Council amending Regulation (EC) No 539/2001 listing the third countries whose nationals must be in possession of visas when crossing the external borders and those whose nationals are exempt from that requirement.

Following the positive outcomes of the Visa Dialogue, and keeping in mind that Moldova abolished visa obligations for all EU citizens in 2007, the committee recommended the European Parliament to adopt its position at first reading taking over the Commission proposal.

Third countries whose nationals are subject to or exempt from a visa requirement: Moldova

2013/0415(COD) - 03/04/2014 - Final act

PURPOSE: to amend [Regulation \(EC\) No 539/2001](#) to include Moldova in the positive list in that Regulation (Annex II of the Regulation being those countries whose nationals are exempt from the requirement that they have a visa when crossing the external borders of Member States of the Union).

LEGISLATIVE ACT: Regulation (EU) No 259/2014 of the European Parliament and of the Council amending Council Regulation (EC) No 539/2001 listing the third countries whose nationals must be in possession of visas when crossing the external borders and those whose nationals are exempt from that requirement

BACKGROUND: Council Regulation (EC) No 539/2001 lists the third countries whose nationals must be in possession of visas when crossing the external borders (the negative list) and those whose nationals are exempt from that requirement (the positive list).

As the criteria set out in Regulation (EC) No 539/2001 can evolve over time in relation to third countries, the composition of the negative and positive lists should be reviewed and amended when appropriate. Third countries, for which the situation has changed as regards these criteria, should be transferred from one Annex to the other.

CONTENT: In line with the Joint Declaration approved at the Prague Eastern Partnership Summit on 7 May 2009, and the completion by the Republic of Moldova of its Visa Liberalisation Action Plan, Moldova meets all the benchmarks set out in the Visa Liberalisation Action Plan.

The Regulation transfers Moldova from the negative list in Regulation 539/2001 **to the positive list**, with a limitation of the visa waiver to the holders of biometric passports issued by Moldova in line with standards of the International Civil Aviation Organisation (ICAO).

Territorial provisions: the United Kingdom and Ireland are not taking part in the adoption of the Regulation and are not bound by it or subject to its application.

ENTRY INTO FORCE: 28.04.2014.
