2013 discharge: European Fisheries Control Agency (EFCA)

2014/2115(DEC) - 29/04/2015 - Final act

PURPOSE: to grant discharge to the European Fisheries Control Agency (EFCA) for the financial year 2013.

NON LEGISLATIVE ACT: Decision (EU) 2015/1655 of the European Parliament on discharge in respect of the implementation of the budget of the European Fisheries Control Agency for the financial year 2013.

CONTENT: with the present decision, the European Parliament grants discharge to the Executive Director of the European Fisheries Control Agency for the implementation of its budget for the financial year 2013.

This decision is in line with the European Parliament's resolution adopted on 29 April 2015 and comprises a series of observations that form an integral part of the discharge decision (please refer to the summary of the opinion of 29 April 2015).

Amongst Parliament’s main observations, it called on the EFCA to revise its policy on declarations of interests and publish the CVs of its personnel on a mandatory basis **in order to contribute to more transparency.**

2013 discharge: European Fisheries Control Agency (EFCA)

2014/2115(DEC) - 30/03/2015 - Committee report tabled for plenary, single reading

The Committee on Budgetary Control adopted the report by Ryszard CZARNECKI (ECR, PL) on discharge in respect of the implementation of the budget of the **European Fisheries Control Agency (EFCA)** for the financial year 2013.

It called on the European Parliament to grant the Executive Director of the Agency discharge in respect of the implementation of the Agency’s budget for the financial year 2013.

Noting that the Court of Auditors stated that it has obtained reasonable assurances that the annual accounts of the Agency for the financial year 2013 are reliable, and that the underlying transactions are legal and regular, Members called on the Parliament to approve the closure of the Agency’s accounts. They made, however, a number of recommendations that needed to be taken into account when the discharge is granted, in addition to the general recommendations that appear in the draft resolution on performance, financial management and control of EU agencies.

- **Agency’s financial statements**: Members noted that the final budget of the Agency for the financial year 2013 was EUR 9.216.900, deriving entirely from the Union budget.
- **Commitments and carry-overs**: Members noted that budget monitoring efforts during the financial year 2013 resulted in a budget implementation rate of 98.64 % and that the payment appropriations execution rate was 83.85%. They observed, however, that for operational expenditure, the level of committed appropriations carried over was high, resulting mainly from the large number of IT projects that were either launched or ongoing during 2013.

Members also made a series of observations on procurement procedures, recruitment, the prevention and management of conflicts of interests and internal controls.

They noted that the Agency’s obligation to publish declarations of interests did not apply to the members of its Advisory Board. They called on the Agency to **publish the CVs of the Executive Director, Heads of Units and members of the Administrative Board** and declarations of interests of members of the Advisory Board in order to contribute to transparency.

2013 discharge: European Fisheries Control Agency (EFCA)

2014/2115(DEC) - 30/01/2015

Having examined the revenue and expenditure accounts for the financial year 2013 and the balance sheet at 31 December 2013 of the European Fisheries Control Agency (EFCA), as well as the Court of Auditors' report on the annual accounts of the Agency for the financial year 2013, accompanied by the Agency's replies to the Court's observations, the Council recommends the European Parliament to give a discharge to the Executive Director of the Agency in respect of the implementation of the budget for the financial year 2013.

Overall, the Council welcomes the Court's opinion that, in all material respects, the Agency's annual accounts present fairly its financial position as at 31 December 2013 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Agency's Financial Regulation, and that the underlying transactions for that financial year are legal and regular.

Nevertheless, one observation has been made by the Court concerning:

- **carry-overs**: the Council calls on the Agency to continue to improve its financial programming and monitoring of the budget implementation in order to reduce the level of commitments carried over to the next financial year to the strict minimum, in line with the budgetary principle of annuality.

2013 discharge: European Fisheries Control Agency (EFCA)

2014/2115(DEC) - 01/07/2014 - Court of Auditors: opinion, report

PURPOSE: presentation of the EU Court of Auditors’ report on the annual accounts of the European Fisheries Control Agency (EFCA) for the year 2013, together with the Agency’s reply.

CONTENT: in accordance with the tasks conferred on the Court of Auditors by the Treaty on the Functioning of the European Union, the Court presents to the European Parliament and to the Council, in the context of the discharge procedure, a Statement of Assurance as to the reliability of the annual accounts of each institution, body or agency of the EU, and the legality and regularity of the transactions underlying them, on the basis of an independent external audit.

This audit concerned, amongst others, the annual accounts of the European Fisheries Control Agency (EFCA).

Statement of assurance: pursuant to the provisions of Article 287 of the Treaty on the Functioning of the European Union (TFEU), the Court has audited:

- the annual accounts of the Agency, which comprise the financial statements (3) and the reports on the implementation of the budget (4) for the financial year ended 31 December 2013;
- the legality and regularity of the transactions underlying those accounts.

Opinion on the reliability of the accounts: in the Court’s opinion, the Agency’s annual accounts present fairly, in all material respects, its financial position as at 31 December 2013 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of its Financial Regulation and the accounting rules adopted by the Commission’s accounting officer.

Opinion on the legality and regularity of the transactions underlying the accounts: in the Court’s opinion, the transactions underlying the annual accounts for the year ended 31 December 2013 are legal and regular in all material respects.

The report also makes a series of observations on the budgetary and financial management of the Agency, accompanied by the latter’s response. The main observations may be summarised as follows:

The Court's observations:

- **budgetary management**: in 2013, the level of committed appropriations carried over to 2014 however was high at 38% for administrative expenditure and 43% for operating expenditure. An important reason for the high level of planned carry-overs was the considerable workload faced by the agency as a result of the large number of IT projects that were either launched or ongoing during 2013.

The Agency's reply:

- **budgetary management**: the Agency agrees with the facts presented by the Court.

Lastly, the Court of Auditors’ report contains **a summary of the Agency's activities in 2013**. This is focused on the following:

Budget: EUR 9.22 million.

Activities:

- implementation of JDP (Joint Deployment Plan) cod fishery in the North Sea, Skagerrak, Kattegat and the Eastern Channel and Western Waters (West of Scotland and the Irish Sea) and other fishery programmes (cod and salmon fisheries in the Baltic Sea, bluefin tuna fishery in the Mediterranean Sea and Eastern Atlantic, support to national control programmes in the Black Sea);
- capacity building as regards training;

- operation, maintenance, enhancement and development of ICT monitoring capabilities: Vessel Monitoring System (VMS), Electronic Reporting System (ERS), Electronic Inspection Report (EIR), Coordination of inspections (JADE), portal and operational conferencing (Fishnet);
- support activities to fight Illegal unreported and unregulated fisheries;
- provision of contractual services to charter an EFCA Fisheries Patrol Vessel;
- advanced training for Union inspectors.
