EU/Barbados Agreement: short-stay visa waiver

2017/0179(NLE) - 23/10/2018 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted, by 595 votes to 49 with 11 abstentions, a legislative resolution on the draft Council decision on the conclusion, on behalf of the Union, of the Agreement between the European Union and Barbados amending the Agreement between the European Community and Barbados on the short-stay visa waiver

Parliament **gave its consent** to the conclusion of the agreement.

The new visa waiver agreement will enable citizens not only to derive full benefit from the ACP-EU partnership but continuing to participate in it by travelling at a reduced, economical and practical cost under a clearer and more coherent legal framework. It significantly deepens relations between the European Union and Barbados, which is of great political importance in the context of the Cotonou Agreement.

EU/Barbados Agreement: short-stay visa waiver

2017/0179(NLE) - 02/10/2018 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Civil Liberties, Justice and Home Affairs adopted the report by Emilian PAVEL (S&D, RO) on the draft Council decision on the conclusion, on behalf of the Union, of the Agreement between the European Union and Barbados amending the Agreement between the European Community and Barbados on the short-stay visa waiver.

The committee recommended that the European Parliament **give its consent** to the conclusion of the agreement.

The Agreement amending the Agreement between the European Community and Barbados ensures legal coherence and harmonisation between Member States, in accordance with the **new definition of short-term stay** provided by the Schengen Borders Code amendment, which clarifies the meaning of this term (a stay of up to 90 days in any 180-day period).

Barbados is a member of the African, Caribbean and Pacific Group of States, Association of Caribbean States, Caribbean Community, Non-Aligned Movement, Organization of American States, United Nations and World Trade Organization.
The explanatory statement accompanying the recommendation notes the following points:

- **economically**, Barbados has an exceptionally high ‘quality of life’ rating for a developing country. The economy, formerly a sugar monoculture, was developed over three decades to achieve a balance of growth and social development, and diversified into three main sectors: services, light industry and sugar;
- **politically speaking**, Barbados is a parliamentary democracy and constitutional monarchy. There is a bicameral legislature and party system, based on universal adult suffrage. The constitution may be amended by act of parliament passed by both houses, except for entrenched clauses, which require two-thirds majorities in both houses;
- **the EU’s political dialogue** with the various Pacific ACP countries and Barbados in particular is gradually increasing.

The new visa waiver agreement will enable citizens not only to derive full benefit from the ACP-EU partnership but continuing to participate in it by travelling at a reduced, economical and practical cost under a clearer and more coherent legal framework. It significantly deepens relations between the European Union and Barbados, which is of great political importance in the context of the Cotonou Agreement.

EU/Barbados Agreement: short-stay visa waiver

2017/0179(NLE) - 27/07/2017 - Preparatory document

PURPOSE: to conclude an agreement amending the agreement between the European Community and Barbados on the short-stay visa waiver.

PROPOSED ACT: Council Decision.

ROLE OF THE EUROPEAN PARLIAMENT: Council may adopt the act only if Parliament has given its consent to the act.

BACKGROUND: by Decision of 30 November 2009, the Council concluded the agreement between the European Community and Barbados on the short-stay visa waiver.

Regulation (EU) No 610/2013 amended the Convention implementing the Schengen Agreement (CISA), Regulation (EC) No 562/2006 (Schengen Borders Code) and Regulation (EC) No 810/2009 (the Visa Code). In so doing, it has **redefined the term of 'short-stay'** for third-country nationals in the Schengen area.

As from 18 October 2013, for third-country nationals – irrespective of being visa required or exempt – who intend to travel to the Schengen area for a short-stay, the maximum duration of authorised stay is defined as '90 days in any 180-day period'.

The agreement between the Union and Barbados on the short-stay visa waiver should incorporate this new definition.

With a view to implementing the new definition of short stay provided for in the amendment to the Schengen Borders Code, the Commission adopted on 16 July 2014 a recommendation for a Council Decision authorising negotiations to amend the Schengen the short-stay visa waiver between the European Union and **seven countries**: Antigua and Barbuda, the Bahamas, **Barbados**, Brazil, Mauritius, Saint Kitts and Nevis and the Seychelles.

The negotiations with Barbados were successfully finalised by the initialling of the amending agreement on 8 February 2017.

CONTENT: this proposal is presented to the Council to authorise the conclusion of the **Agreement amending the Agreement between the European Community and Barbados** on the short-stay visa waiver.

The amendments introduced by the final agreement cover the following points:

Duration of stay: the final agreement provides for visa-free travel for the citizens of the European Union and for the citizens of Barbados when travelling to the other Contracting Party for **a maximum period of 90 days in any 180-day period** (instead of a maximum period of three months during a six months period following the date of first entry).

A joint statement on the interpretation of the 90-day period over any 180-day period is attached to the amending agreement.

Suspension of the agreement: the agreement provides that suspension of the waiver shall be lifted if the suspension is no longer required.

All other provisions of the existing agreement between the European Community and Barbados on the short-stay visa waiver remain unaffected by the amending agreement, including the territorial scope.

The provisions of the agreement shall not apply to the United Kingdom or to Ireland.

EU/Barbados Agreement: short-stay visa waiver

2017/0179(NLE) - 24/10/2017 - Legislative proposal

PURPOSE: to conclude, on behalf of the Union, the Agreement between the European Union and Barbados amending the Agreement between the European Community and Barbados on the short-stay visa waiver.

PROPOSED ACT: Council Decision.

ROLE OF THE EUROPEAN PARLIAMENT: Council may adopt the act only if Parliament has given its consent to the act.

BACKGROUND: by its Decision 2009/898/EC, the Council concluded the Agreement between the European Community and Barbados on the short-stay visa waiver.

The Agreement provides for visa-free travel for the citizens of the Union and for the citizens of Barbados when travelling to the territory of the other Contracting Party for a maximum period of three months during a six months period.

Regulation (EU) No 610/2013 of the European Parliament and of the Council introduced horizontal changes in the Union's visa and border *acquis* and defined a short stay as a maximum of **90 days in any 180-day period**.

It is necessary to incorporate this **new definition** into the Agreement in order to fully harmonise the Union's short-stay regime.

The Commission negotiated, on behalf of the Union, an agreement with Barbados which amends the Agreement between the European Community and Barbados on the short-stay visa waiver (the 'amending Agreement').

In accordance with a Council Decision, the amending Agreement has been signed.

CONTENT: the draft Council Decision now seeks the approval, on behalf of the Union, of the Agreement between the European Union and Barbados amending the Agreement between the European Community and Barbados on the short-stay visa waiver.

The provisions of the Agreement do not apply to the United Kingdom or to Ireland.

EU/Barbados Agreement: short-stay visa waiver

2017/0179(NLE) - 20/12/2018 - Final act

PURPOSE: to approve the conclusion of the amending agreement between the European Union and Barbados on the short-stay visa waiver.

NON-LEGISLATIVE ACT: Council Decision (EU) 2019/76 on the conclusion, on behalf of the Union, of the Agreement between the European Union and Barbados amending the Agreement between the European Community and Barbados on the short-stay visa waiver.

CONTENT: the Council approved, on behalf of the European Union, the Agreement between the EU and Barbados amending the Agreement on the short-stay visa waiver.

As a reminder, the Commission negotiated, on behalf of the Union an agreement with Barbados which amends the Agreement between the European Community and Barbados on the short-stay visa waiver. The amending agreement has been signed.

The amending agreement ensures legal coherence and harmonisation between Member States, in accordance with the new definition of short-term stay provided for by the amendment of the Schengen Borders Code. It therefore provides for a visa-free travel regime for EU citizens and citizens of Barbados travelling to the territory of the other Contracting Party for a stay of up to 90 days in any 180-day period.

This Decision constitutes a development of the provisions of the Schengen acquis in which the United Kingdom and Ireland do not participate. Consequently, these two countries are not bound by this decision or subject to its application.

ENTRY INTO FORCE: 20.12.2018.
